TE 621 Vocation and Theology III: Constructive Theology
I priced the books at Amazon (new, not used). One can purchase pre-owned copies as well for less than what is listed here.

For Items 1-4 below: Students are required to purchase a total of three books from the first four items below

2. *Christian Theology: An Introduction to its Traditions and Tasks*,

Students must also purchase the Hall text (#5) and another text from a list of theological works:

6. Constructive Work by Additional Theologian; estimated cost: **$25**.
   In addition to the Hall text: **Students are required to purchase and read an another one-volume systematic/constructive theology text.** Options include the following:
Systematic Theology: Perspectives From Liberation Theology, Edited by Jon Sobrino, Orbis, **ISBN-13**: 978-1570750687
