

DONOR RECOGNITION REPORT

July 1, 2007 - June 30, 2008

The following annual report acknowledges the gifts and pledge payments made between July 1, 2007 and June 30, 2008. In this report we have combined all cash, and pledge payments made by donors this fiscal year to any of the seminary's campaigns: Annual Operations; Academic Programs, including Crossroads Archeological Projects; Endowments; the "Pursuing the Vision" and "Bridges of Faith" campaigns.

We at the seminary are very grateful for the over 1,100 individuals, congregations, corporations, trusts, and foundations that invested in the educational ministry of Phillips Theological Seminary during our 2007/8 fiscal year. Every single dollar from every single one of you is important in order that we can fulfill the mission entrusted to us by our supporting churches: to provide a competent, educated ministry that can help the church minister effectively in human life and society.

Please note the variety of ways that persons, congregations, and organizations underwrite the ministries of PTS:

- cash given directly to us;
- for Disciples, a portion of tithes and offerings channeled to the seminary through Disciples Mission Fund, the Thanksgiving Offering, or the regions in our covenant area;
- contributions directed through church or community foundations or donor-directed funds;
- gifts-in-kind;
- stocks, bonds, real estate, insurance policies, and other investments;
- corporate matching gift programs;
- charitable annuities and bequests.

In every case, we receive a gift only because you or another donor has decided to share with us. Thank you for your partnership and your commitment to the mission of PTS.

We have done our very best to ensure that this report is accurate. If you notice any error or omission, please let me know at gary.peluso@ptstulsa.edu or at 918.270.6478.
