Application for Special Students

A special student application should be completed if you would like to take classes for credit to transfer to another institution, to complete denominational requirements, to get a feel for seminary, or for personal enhancement. Qualified applicants for Special Student status must have a bachelor's degree from a regionally accredited institution, a 2.5 GPA in undergraduate work, and a completed application including the following items:

- Application form and \$60 application fee
- Statement indicating why you want to take courses at PTS
- Official transcripts from any undergraduate school where you received a degree and from any graduate school where you have completed work for credit. Official transcripts are ones that have the official institution seal and are mailed directly from the institution, not by the applicant. For full admission, the undergraduate transcript must show the degree and date received.
- Authorization for criminal background check
- FAFSA and Financial Aid form for those interested in financial aid
- Applicants for whom English is a second language must submit an official TOEFL score of at least 550 (paper-based) or 213 (computer-based)
